Main Street-South Side.

Teams-\$1,75 per annum in advance. Thursday Evening, Sept 9, 1852 A SPEENDED GALPRIN .- Wm. H. Gwin,

says the Ohio State Journal, the Locofoco Senator from California, who is at the head of the Locofoco National Committee, for distributing documents, and electioneering for Pierce and King, is just the man to ring the charge of Galphanism against the Whigs. This Gwin, on the 4th of March, 1851, at Cass .- The N. Y. Tribune says, the outthe close of the 31st Congress, with other side small-fry orators of the Tammany Hall Senators, was requested to remain a few demonstration, on Thursday evening, underdays by the President, to attend to some ex- took to abuse Gen Scott in unmeasured ecutive business, and, in addition to his eight terms, by repeating all the scandal-persondollars per day, he charged, and actually all or political-which has been manufactudrew from the Treasury the enormous sum red, thus far in the campaign. The language of "four thousand and eight dollars as con- was insulting to the good sense of the pubstructive mileage," that is, he imagined that lie, a contradiction of history, and quite disbetween the adjournment of Congress, on graceful to those employing it. At the same the evening of the 3d of March, and the spec- time, in the hall, Gen. Cass, with more truthial meeting of the Senate, on the morning of fulness and dignity was contradicting the the 4th of March, he had traveled all the way defaming orators, by speaking as follows; thousand and eight dollars for mileage. The

This is the man who feels so bad because the Secretary of the Treasury paid the interest on a sum of money that was used in our glorious Revolutionary War. He is just honest patriot; but he is not my choice." the man to be a great patriot on such a subject. Let the people bear these things in remembrance.

RETURN OF THE MISSISSIPPI .- The United States steam frigate Mississippi, Capt. Wm. J. McCluney, bearing the broad penuant of millions of our money out of the Treasury to B.,) Halifax, the Magdalen Islands, Prince which will require years of rigid economy Edward's Island, and other ports of the to cure. Yes, you poind us in '44, and it is St. Lawrence. Commodore Perry was de- vate Old Ulippewa to the Presidency-thus spatched to the coasts by the President to effectually warding off a piercing. investigate the circumstances attending the recent scizure of some fishing vessels belonging to the United States by British cruisers. He held conferences on the subject with Sir George F. Seymour, the English Admiral, with the Governors of New Brunswick and Nova Scotia, and other public officers. Doubtless the explanations given at ture. The reception given to the commodore, and the officers of the ship, at the ports they visited, was of the most cordial and triendly character. During her cruise the Mississipcers and crew of the Mississippi are all well

THE PROSPECT IN VIRGINIA .- The Hon. George W. Summers, in a letter to a gentleman of that town, says that if Eastern Virginia will give Gen. Scott the same vote Without knowing where to turn for succor, it gave him, the increased vote in the West will secure the State. This is cheering news, and must excite every good Whig to do his duty. The hardy mountaineers are a highly respectable and hospitable resiprepared to acquit themselves well, and all they ask is for the low-landers to do their duty. Let the "low-landers" be "up and doing," and meet the proposition with the earn-

small segar store, within fifty yards of the adds: palace of the Captain General. The broth- Spain will contest the possession of Cuers of Sr. Luna were arrested for having ba, as it is her just right to do, at seary harved safely at New York.

MURDEBER.-We are called upon to record a of our courts to convict the expeditionists transaction of the most horrible nature, which engaged in the last crusade against Cuba occurred in this city on Saturday afternoon, has not only encouraged others to repeat about one o'clock. The circumstances of that lawless enterprise, but it has created a the case are as follows: About three years bad impression abroad as to the ability of ago a young German, named John Peter the judicial tribunals to administer the law in the face of a morbid state of opinion, a young German girl named Christiana prown, trom Eltimore, and have since been

were married. On Saturday last the girl was at her sisthe above named hour, and found her in the cellar, he immediately seized an axe with sums from four hundred and i which he struck her a violent blow upon the head, splitting her skull in a dreadful man-He then carried her body up into the yard and returned to the cellar, and deliberately cut his own throat from ear to ear, killing him almost instantly. The girl linger- Democracy, opposed the Bankrupt Law .until 4 o'clock, when she died. Corn and Wheat have gone up since the A Base Shappen - A few days since, Mr. tration had belter get out of their quarrel freshet, corn from 40 to 75 a 80 cents per bushel; wheat from 60 a 70 to \$1. I have cently avowed his determination to support very best feeling exists in the ranks of the plenty of corn could have been bought party. Lowell is sure for from three to five here next tall for 20 cents per bushel, but hundred majority for Scots and Graham." now; it is quite likely corn will be as high next winter as it was last.

> A SIGN IN PENNSYLVANIA WORTH RE-CORDING.—A meeting of Democrats, who have never voted a Whig ticket, but who now go for Scott and GLAHAM, was heldin Hellum township, York Co., on Saturday, "If the Cameron Guards of Harrisburg, the 21st ult. One hundred and twenty Democrats were present, who raised a pole over one kundred fort high, to which was attached Jalapa,) obliged to kneel to the 'Host, carried a flag, on which is inscribed in large letters

The whole affair was conducted exclusive-

on to obey such an order, or any command selves, and boasted that there were plenty purporting to be founded on such an order, more of their old political associates that can! The very moment he is satisfied that The company never knelt to the procession would go for Scott and Graham with as much

Here is a sign worth recording-and worth imposing any such obligation nor one that the attention of politicians in other States. would afford any pretent or excuse to any officer York county is one of the strongholds of Lounder him, for issuing such an order, or im- cofocoism, and if her honest voters follow the example of these Democrats of Heliam township, the majority it will give for the old Here, who has served his country so well. and who deserves so justly the gratitude of with that large, intelligent spirit of charity, his countrymen, is not easily calculated .-We believe this to be no isolated sign of the feeling in favor of Scott, that, when told through the ballot boxes will not only as-From Mostevines .- A correspondent of tound our opponents, but astonish the most

"The U. S. ship Jamestown, has just ar- | Pire .- A fire broke out last night, about ived from Rio Janeiro, with our Minister at 12 o'clock, in the Grocery store and Bakery the Court of Brazil, Mr. Schenck, on board. of J. Scully, on Paint street, opposite the Mr. Schenck has come here to arrange a Court-yard, which destroyed that building The Commissioners by Jacob Grim, Suddler, Billison & Schold-France and England, sent out for the same erer, Pinners and Stave Dealers, and Eli object, have not yet arrived. So, by the Ketner, Merchant Tailor. The houses prompt action of our government, and great were old frames and burned very rapidly; good fortune, our own minister will be the their contents were mostly saved, we underfirst on the ground. The appointment, too, stand, and the loss is nearly covered by inis an excellent one, and as I presume he will surance in the Portage Mutual and the act in concert with our Charge at Buenos Cleveland Washington Union Companies. Ayres, Mr. Pendleton, who is in high favor The entire loss may be reckoned at about 4000 dollars .- Chillicothe Metropolis, Thurs-

> THE LIGHT LAW IN MINNESOTA .- The citizens of Minnesota having adopted the Maine liquor law, the first attempt to enforce its provisions was made by seizing upon the liquor of Mr. Constans, a grocer, of St. Paul. Constans and his friends resisted the process;-the sheriff called upon the Governor for instructions-the Governor directed the sheriff to enroll a posse, the posse was raised, new resistance was offered, speeches were made upon both sides from the heads of barrels, threats of personal violence were made, when a compromise was entered into, and the liquor placed in the hands of a third party, to stand a suit at law.

FIRE ENGINES RENDERED UNNECESSARY. -The citizens of the borough of Tamaqua, Pa., have just completed their water works, at a cost of \$23,000, which, besides furnso shot twice at Morton. Squire, of Pardee-ishing the village with abundance ville; once he missed him, the second time of pure water, will be highly valueble in the ball passed through his clothes, grazed case of fire. The water is brought from his body and lodged in his arm. All of this Rubbit Run, a distance of two miles, with a occurred in the court room, while the room (all of 175 feet, giving it so much force that by attaching an ordinary hose to a fire plug, the water is readily thrown over the highest house in the borough, thus rendering fire

engines altogether unnecessary. residents of New York, who had been in our wolf suddenly appeared in the midst of various battles under Gen Scott, including the market place, and bit several persons the N. York Volunteers in the Mexican most severely, but, aking fright at the cries War, and a number of the veterans of 1812 which arose on all sides, be jumped over a bekin meeting at Constitutional Hall Broadwall, and got into a large garden where seve way, N. Y., last week, and formed on association to be known as the Scott Life Guard It is composed exclusively of in n who served under Gen. Scott. W. H. Brown was elected President, and J. R. Doyle of the war of 1812, Vice President.

> AN CED BIBD CAUGHT WITH CRAFF .dary. In a late Statesman is a renunciation of Whiggery, signed John H. Skelmore." After diligent inquiry we are con-strained to say that there is no man of that name in Bellefontaine or its vicinity .- Logan Gazette.

OFIc is said that at the late elections in England and Wales, the conservatives polled 183,231 votes, and the radicals 128,741.
